ABOUT US

THE COMPANY

Since 1982, Namib Mills has grown from a small milling company to a leading supplier of staple food in Namibia. We have two milling facilities located in Windhoek, and Otavi supplying our nine strategically located depots across Namibia (Windhoek, Katima Mulilo, Gobabis, Otavi, Ondangwa, Keetmanshoop, Walvis Bay, Otjiwarongo, Mariental). These facilities enable us to meet our customers' delivery expectations on time, whether in Namibia, Angola, South Africa, Zambia or Australia.

QUALITY ORIENTATED

We take pride in manufacturing products to the highest international standards, utilising modern production technology in all our operations. Namib Mills is certified with ISO 9001:2008. As part of a continuous drive for improvement, Namib Mills strives at all times towards certification based on the requirements of SANS 10330:2007, supported by a Food Hygiene Management System that conforms to the requirements of the SANS 10049 Standard. SANS 10330:2007(HACCP) certification has also been obtained for the Pasta Plant. This demonstrates the commitment to you, our valued customers, and it also shows that we are committed to maintaining international standards in all our food processes.

OUR PEOPLE

Namib Mills takes pride in all our employees. We believe that businesses are communities that are composed of various sub-cultures, thus all employees, whether top management or a general worker, form part of the value-added chain. Today, we stand tall and proud because of all our employees proudly feeding the Namibian nation. Corporate Social Responsibility to us is not just a task, but a true commitment working towards Namibia's Vision 2030. Namib Mills provides a considerable contribution to national advancement of nutrition and education. As an organisation we play an active role in fighting hunger and malnutrition within Namibia, by feeding underprivileged members of society through various welfare organisations.

OUR BRANDS

We believe in giving you, our valued customers more choices to choose from. The wide range of brand portfolios are produced to suit different market segments, taking price into consideration, but not compromising the quality of our brands. With well-known household brands such as Top Score, Bakpro, Pasta Polana, Sugar King, Rice King, Meme Mahangu and Pasta La Vita, you can be assured that you are getting absolute value for your money.
